

CHIPPEWA RIVER INDUSTRIES, INC.

POLICY ON VISITORS

DATE: JANUARY 2, 2009

REVISION DATE(S): MARCH 16, 2020

To better protect the safety and security of employees as well as CRI property and facilities, only authorized visitors are allowed in the workplace. **Effective March 16, 2020 non-essential visitors are not allowed beyond the marked areas of each reception area. Exceptions to this are contractors performing necessary services and medical personnel. Contractors who come to CRI and appear to be ill will be asked to leave and arrange for another worker to complete the services.** All visitors must enter CRI at the main entrance. All visitors are required to sign in at the front office and wear a visitors badge or similar designation.
