

**QUALITY POLICY**

DATE: JANUARY 11, 2013

REVISION DATE(S): \_\_\_\_\_

To fulfill the mission of CRI, Inc., we embrace a strong commitment to customer satisfaction and continuous improvement.

The satisfaction of customers, both external and internal, is the primary focus of the quality management activities at CRI, Inc. Customers are integral to the quality process. CRI, Inc. employees shall work closely with them to ensure their needs are consistently met at a high level. CRI, Inc. employees are encouraged and empowered to participate in quality improvement activities through teamwork and sharing of ideas that lead to continuous improvement and outcomes. All employees shall have individual responsibility for understanding and applying this Quality policy in the performance of their tasks. CRI, Inc leadership and staff are fully committed to the Quality Policy and are each individually responsible for understanding and applying this policy in the performance of their tasks.

Specific to food packaging/handling quality and safety, CRI, Inc. will provide the highest quality of service to our customer, ensuring a consistently high standard of safe product, and strict adherence to regulatory requirements. CRI is committed to high standards of food quality, safety, and handling and has defined and documented policies and processes based on HACCP principles to ensure these requirements are substantially met.
