Job Summary

The purpose of this position is to provide on-the-job training supports to individuals with different abilities; concentrating on an individual's abilities rather than a possible disability. This position also provides specific interaction, motivation and support to meet vocational goals for the person served. Finally it will provide a fading approach with necessary documentation. CRI, Inc. anticipates training the successful candidate for this specific role. Join our growing team meeting our mission everyday.

" Being a job coach was such a great experience, for me it was a great way of getting into my line of work as a Social Worker, so I really enjoyed it. Amy Szypulski, former CRI Job Coach

CRI intends to hire a candidate within the City of Eau Claire for a few short shifts a week during the day and one short shift on a Saturday. Every other weekend hours too. The successful candidate can expect 15 to 20 hours per week.

The successful candidate can expect to:

- Encourage and prompt learning .
- Document consumer progress and daily accomplishments.
- Build natural supports at the assigned employment site that will last long after job coaching ends.

Specific duties are listed on the job description. We will provide the job description to you upon receipt of a resume.
