

## **REST AREA MAINTENANCE WORKER**

**PART-TIME, \$14.00 per hour**

### **Job Description**

3 days per week between the hours of 7:45am and 3:30pm, RAM workers are responsible for routine janitorial and landscape maintenance at two small Wayside sites in Chippewa County. You will also be responsible for supervising two workers with diverse abilities who will assist you with the tasks required.

You may be asked to use a variety of equipment such as: a riding lawn mower, push mower, weed trimmer, and other miscellaneous tools. The ideal candidate will be someone who is a self-starter and a leader/mentor. You must be able to follow directions and operate equipment safely and efficiently. This is a primarily outdoor position that runs through September.

*“CRI has been able to find me the part-time work I was looking for that fit my availability. It's also rewarding when you can see changes in one's behavior as a result of some coaching tips/suggestions I've had.” ~Jeremy Shong, Job Coach*
